HEDEF DAVRANIŞ	Farklı durumlarda yaşanan olayların her iki dilde de yazılı anlatılmasını geliştirme

Kids2Write – Toolbox to support writing competence of multilingual children and youth in Europe

Kids2Write develops and pilots motivating learning tools for the promotion of written expression of multilingual children and youth in Europe. The various modules and tools will use methods which children and young people know from games and non-formal learning. Kids2Write intends to present various forms of written expression and forms of writing with special consideration of challenges which multilingual young learners are facing.
